My Presentation

Archit YADAV

1. Introduction - Who and Where?

I'm a master's student currently in M2 MoSIG with specialization track as Human and Digital World Interaction (HDWI).

I come from India and I did my bachelor's from Shiv Nadar University (SNU), in Noida, a city within the Delhi NCR.

1.1 Why Grenoble?

Grenoble being a very prominent research hub with variety of labs, a really nice place to for academic oriented students. The nearby beautiful geography (mountains) made a plus point.

2. My Homeland - India

- Location - In South-Asia
- Capital - New Delhi
- College/University System
  - ▶ Through nation/region-wide entrance exams
  - ▶ CGPA (scale: 10) and percentage system
- Some prominent scientists -
  - ▶ CV Raman (Scattering of light, Nobel Prize)
  - ▶ APJ Abdul Kalam (*"Missile Man of India"* and former president of India)

3. My Website

Checkout out my detailed information, some of my projects and other stuff on my personal website:
